The following information was recorded by Alexander Piaget and Charles van Ravenswaay at the time the photograph was taken:

Built ca. 1850. "Auguste Pierre Archambault (1817-1881) was a Canadian-born fur trader and trapper and was associated with John C. Fremont 1845-47. This urban Federal-style townhouse with its original dependencies was restored by Historic Florissant in 1973 and is privately occupied." (From, St. Louis County Department of Parks and Recreation, Historic Buildings in St. Louis County, 1985).

Two and one-half stories. Recessed front entrance an unusual detail (Germanic?) in area. Listed in National Register of Historic Places.

PROJECT INFORMATION

The Piaget-van Ravenswaay Survey consists of a number of photographs, primarily of sites and structures in Missouri, which were taken before 1938 by Alexander Piaget and after that by Paul Piaget, both in conjunction with Charles van Ravenswaay. Photographs of buildings were incorporated into the HABS collection in 1985 by Laura Rupp and in 1986 by Deborah Fulton, HABS historians. A master list is available in the [REDACTED] records for MO-1800.
